Northern Parishes Arts Week Visual Arts & Crafts Exhibition 29 -31 October 2010

Northern Parishes Arts Week we are very pleased to invite you to take part in this year's festival to be held in the Brownlow Memorial Hall, Newell Green Warfield. Please confirm your interest and return this form to any of the above offices.

This year there will be a best in show prize open to all those who live and work in the Northern Parishes (excluding professional artists) to be judged by an independent and respected artist. Judging will take place at midday on Saturday 30th October. All work on display will be judged and awards made in three categories: ages 5-11, 12-18 and adult. And finally all visitors to the exhibition over the three days will be able to take part in a "Public Vote" to nominate the most appreciated artist; the result will be declared at the end of the exhibition on Sunday, 31 October.

There is no charge for exhibiting and display stands will be supplied. You will be contacted nearer the time about timing and space allocation.
